

## **Mallard Lake Association Annual Meeting Notes - June 10, 2023**

### **Introductory Comments**

The timing of the meeting might make it tough for people to attend with school ending and other activities. The meeting used to be held on Memorial Day weekend, but that was problematic too.

### **Financial Report**

- <https://mallardlakeassociation.com/resources/2022-2023Financials.pdf>

### **Elections**

- TBA

### **New agenda item**

- Buoy and floating rafts
  - What's the law regarding this?
    - <https://dnr.wi.gov/topic/waterways/factsheets/swimraffactsheet.pdf>

### **Lake Picnic**

- At the Atkinson's on 3762 Norman's Landing Rd

### **Fishing tournament**

- Rapala and Northern Tackle are sponsors
- 9-11am
- Parent/adult & child

### **Golf tournament**

- Need to determine how many are interested
- RSVP on post card
- Format ideas? 2 person scramble

### **Facebook//Website**

- Include facebook and website links on postcard
- Add meeting minutes to site and facebook

### **Fish stocking**

- We share stocking with 2 other lakes
- 885 walleye last year
- End of October typically
- 13" walleye
- Dumped at landing
- Every other year
- Dedicated fund
- Fish sticks

- Been there now for quite a while
- Now decaying and not as productive
- Next year may need to be replaced
- May have used a grant in the past
- Jim pointed out that he doesn't seem to be some of the species he used to see 40 years ago
- Loons - people getting too close

### **By laws**

- Special meeting to vote
- July 10th @ 6PM on Zoom

### **Old Business**

- Ramp discussion
  - County says they won't put up a sign
  - They say we should put up signs
  - No estimate on sign cost yet
    - No parking
    - Boat launch only
    - Not a public road for ATV/UTV without trailer
  - Someone cut their foot on something at the landing
    - They called the resort
    - Resort gave them Mike's name
- No power loading countywide
- People parking off of Jim and Kay's beach and actually being on land

### **Invasive Species Discussion - Kay**

- Emily wasn't able to make it
- AIS
- Invasives
  - Snails
    - Big brown snails
    - 2 types of invasive snails
  - Purple Loosestrife

### **Non-Emergency Number for Burnett County**

- 715-349-2127
